Conference overview

Drive success in your digital world with HPE at Microsoft Ignite 2018

See us, talk to us, and drive success by accelerating your journey to digital transformation. Connect with the HPE experts who will share the latest data center technology and solutions.

Those that can act, with speed and agility on a continuous stream of insights and knowledge, will win. That's why our strategy is to accelerate YOUR enterprise from edge to cloud, helping you connect all of your data, all of your systems, all of your clouds, everywhere.

Join Hewlett Packard Enterprise September 24 – 27 at Microsoft Ignite 2018. Together, we can help you accelerate your business in so many ways with so many proven solutions. We look forward to talking to you in Orlando soon.

Visit HPE at booth #2125, or stop by our HPE Microsoft Hospitality Suite conveniently located just outside the Expo Hall in the West Concourse, to meet with experts from HPE and Microsoft.

HPE Microsoft Breakout Session

Wednesday, September 26

2:15 pm – 3:30 pm

OCCC Room W312

Session ID BRK1123

How to tame your hybrid cloud

Speakers

McLeod Glass, Vice President and General Manager of SimpliVity, Composable and Software Defined Product Management, Hewlett Packard Enterprise

Satish Iyer, Vice President, Product and Solutions, Hewlett Packard Enterprise

Jay Cherrington, Director, Microsoft Strategic Alliance, Hewlett Packard Enterprise

Learn how to make Hybrid IT simple, so your data and applications are always optimized and agile without compromising performance, security or control. With your right mix of Hybrid IT in place, powered by software-defined infrastructure, your enterprise will be ready to accelerate innovation and thrive in our digital world.

HPE Microsoft Theater Session

Monday, September 24

You're invited

HPE Microsoft Customer Reception

Tuesday, September 25
8:00 pm – 11:30 pm

Taverna Opa,
Pointe Orlando, Level 2

HPE and Microsoft invite you to unwind and relax at our as we close Day 2 of Microsoft Ignite in Orlando.

Be one of the smartest on the block by joining Microsoft and HPE for an entertaining evening filled with culinary delights, fun surprises and tasty drinks during Ignite|Envision! Secure your spot on the guest list to make sure your name is at the door, just don't wait too long, as space is limited and only those in the know will claim their place in the cloud and on the edge.

We look forward to welcoming you, so you can connect with your peers, the HPE and Microsoft team, gather insights and discover new partnership opportunities, all while enjoying gourmet Mexico-inspired cocktails and hors d'oeuvres.

Meet 40+ HPE Microsoft experts with over 500 combined years of experience.

As space is limited make sure to **reserve** your spot right now.

HPE Microsoft Breakfast

Wednesday, September 26
7:00 am – 9:00 am

HPE Hospitality Suite #207B,
West Building, main level, directly across from the Expo/Community Zone

HPE Microsoft Intelligent Cloud Expert Panel Breakfast

You're invited to join the HPE-Microsoft Alliance for an informative and engaging breakfast panel session during Microsoft Ignite|Envision 2018.

This exclusive breakfast is for technical decision-makers and technical influencers from enterprise organizations and joint channel partners to hear from HPE and Microsoft experts as we discuss Microsoft Azure Stack Hybrid Cloud solutions that have been implemented with our early adopter customers.

The agenda will include 300-level discussions regarding Digital Transformation in hybrid IT, the HPE Azure Stack solution, Customer/Partner Success stories and a panel Q&A.

Host

Jay Cherrington, Director HPE | Microsoft Strategic Alliance, Hewlett Packard Enterprise

As space is limited make sure to **reserve** your spot right now.

Azure Stack Innovation Center Technical Briefings

Monday – Thursday, September 24 – 27

HPE Hospitality Suite #207B,
West Building, main level, directly across from the Expo/Community Zone

Have you been thinking about how to more easily develop and manage your applications for both public and on-premises cloud environments? Are you interested in realizing the benefits of Azure cloud in your own data center?

HPE and Microsoft Azure Stack technical experts are available for customized briefing sessions during Microsoft Ignite|Envision in Orlando, FL., September 24 – 27. This is a great opportunity to learn how HPE ProLiant for Microsoft Azure Stack can accelerate your journey to the hybrid cloud and transform your IT experience.

We have a limited number of 45-minute slots available, RSVP as soon as possible to secure your spot.

Agenda

These meetings will be directed by you. You determine what is discussed. Suggested topics include

- Azure Stack overview, concepts and examples
- Interactive discussions and demonstrations highlighting specific solutions
- Question and answer session around feature areas
- HPE / Microsoft Azure Stack Innovation Center Opportunities

Who should attend?

Business and technical decision makers who have a hybrid cloud strategy and want to understand more about Microsoft Azure Stack and HPE ProLiant for Microsoft Azure Stack.

Request a meeting

Fill out the **survey** so that we may work with you to find availability and plan your meeting.
